The Emergency Provincial Travel Fund was established by the CVMHA Board of Directors to help offset the costs that will be incurred by a competitive team which advances to the BC Hockey Championships. There is a very short window between the date a team qualifies for a Provincial Championship and the date the tournament starts. This leaves the team little time to fundraise for the monies necessary to pay the costs to attend. In the past teams have applied to the Association for financial assistance. The board feels the funding for assistance should come from the competitive division.

- 2.46 All monies will be held in the Association's general revenues but will be identified as a separate entry and the use of the money is restricted to the EPTF.

- 2.49 The Board of Directors is not required to exhaust the fund in any season.
- 2.50 The Board of Directors has the authority to provide additional assistance to an applicant if the fund is exhausted.
